Name of the Register

Player Register

Purpose of Processing Personal Data

Personal data is collected and processed when a player cancels playing with our club. The information helps us verify the player's identity and review their billing status and payment history. We also collect information about the reasons for quitting, which helps the club to improve in the future.

Processed Personal Data

- Name
- Team played for
- Email address (parent's email for players under 18)
- Phone number (parent's phone number for players under 18)
- Reason for quitting

Sources of Information

The data is obtained directly from the player or, if the player is under 18, from their guardian.

Disclosure and Transfer of Data

Data is not disclosed to third parties. Data is not transferred outside the EU or EEA.

Data Retention Period

Personal data is retained as long as necessary to fulfill the purpose of processing.

Rights of the Data Subject

The player has the right to:

- Access their data
- Request correction or deletion of data
- Object to or restrict processing
- File a complaint with the data protection authority

Data Security

Data is protected through technical and organizational measures, such as encryption and access control.
